Daytona 675 ABS

PROTECTION

	NAME	DESCRIPTION	PRICE
	Alarm Kit Thatcham Approved (A9808114)	Thatcham approved (Category 1) bespoke alarm immobiliser system developed in conjunction with Datatool. Designed to be installed whilst ensuring the integrity of the motorcycle wiring harness. Features vibration resistant construction.	**RRP £299.99**
	CNC Machined Fork Protectors (A9640059)	CNC Machined Fork Protectors featuring anodised aluminium spacers with laser etched detailing and acetyl sliders. Designed to help protect fork legs in the event of a fall.	**RRP £34.99**
	Engine Cover Protectors (A9618132)	Durable long glass nylon engine cover protectors designed to bolt directly onto the existing engine casings. Supplied complete with all required fasteners, these engine protectors meet race regulation requirements and feature additional raised sections in high wear areas. Complete set of three. (Clutch Cover, Alternator and Crank Cover)	**RRP £119.99**
	Frame Protectors (A9788014)	Bespoke Frame Protectors designed to offer additional protection in the event of a fall. Manufactured from durable nylon, these frame protectors require no cutting of bodywork to install and are styled to compliment the Daytona's aggressive features.	**RRP £130.00**
	Paddock Stand - Front (A9938157)	Powder coated silver, Triumph branded Paddock Stand featuring clear plastic wheels. Complete with locators which fit into the bottom of the fork.	**RRP £80.00**
	Paint Protection Kit - Gloss (A9930381)	Highly durable, puncture and gravel chip resistant paint protection film developed to protect paintwork, custom cut specifically to fit the urban sports models. When fitted, the film appears clear, ensuring the motorcycle looks as intended, even for motorcycles with a matt paint finish, an industry first! Used widely in Formula 1 & Moto GP, this paint protection film is designed to be installed easily and with perfect results. Triumph Paint Protection Kits include custom cut, self adhesive panels which protect the rider contact points from everyday wear, and the front of the tank from stone chips. The kits include all required installation tools and full instructions along with additional patches for application beneath the contact points for Triumph Magnetic Luggage. The film allows UV rays to permeate through, meaning the protected paintwork will age at the same rate as the rest of the motorcycle, avoiding any unsightly colour differences if the film is removed after time.	**RRP £47.50**
	Rubber Tank Pad (A9790008)	Self-adhesive protective Tank Pad with Triumph script branding.	**RRP £27.49**
	Triumph Disc Lock (A9810000)	High quality, forged Disc Lock and carry pouch. Manufactured in the EU. SRA Approved/Sold Secure.	**RRP £80.00**
