Bonneville T100 Black

£7,299.00 †

PRODUCT INFO

OVERVIEW

If the easy-going style of the regular Bonneville T100 is a bit too tame for you, we've created the mean 'n' moody Bonneville T100 Black. From its custom shop-style, black-rimmed spoke wheels past its black-cased engine with machined fin highlights to its black bars and mirrors, this is a bike that makes a statement without really trying. Of course it's still a Bonneville at heart, with a soulful, fuel injected 865cc parallel twin engine and sweet-sounding peashooter exhausts, a commanding riding position and more than enough power for both newbie riders and those with more miles under their wheels.

ENGINE

Performance

The Bonneville T100 Black has muscle to match its mean looks, as its 865cc parallel twin engine puts out a healthy 68PS. It also gives 68Nm of torque at its peak, with plenty available at low revs so it's really user-friendly and more than punchy enough, both around town and on the open road. Clever electronic fuel injection means this engine pulls smoothly throughout the rev range, so you'll always have something in reserve.

Configuration

It wouldn't be a Bonneville without a parallel-twin cylinder engine and this one's a beauty. Its 865cc capacity makes it more powerful than Bonneville's of old, but modern technology mean great versatility and economy too, while balance shafts leave just enough vibration to remind you that you are riding an all-time great. Of course it's air-cooled, meaning there's no radiator to block the view of this engineering icon.

ENGINE

TYPE	Air-cooled, DOHC, parallel-twin, 360° firing interval
CAPACITY	865cc
BORE	90mm
STROKE	68mm
SYSTEM	Multipoint sequential electronic fuel injection with SAI
EXHAUST	Stainless steel headers, twin chromed silencers.
FINAL DRIVE	X ring chain
CLUTCH	Wet, multi-plate
GEARBOX	5-speed
OIL CAPACITY	4.5L

CHASSIS

Frame

Great handling and a relaxing ride have always been Bonneville traits. Years of getting the basics right mean that we make bikes that are reassuringly easy to ride.

Suspension

We wouldn't want a bumpy road to spoil your ride, so we fit traditional, black-sprung twin shocks at the back that combine iconic style with modern performance, while up front, black, gaitered telescopic forks keep things well controlled.

Brakes

We've matched the front and rear disc brakes to give a progressive, balanced braking performance that suits the Bonneville Black's power and weight, giving the rider confidence and control.

Handling

We're not talking all show and no go with the Bonneville Black. Its tubular steel cradle frame may look old school, but clever design means that the engine combines with the frame to give the bike the extra stiffness that's sure to put a smile on your face on every ride.

Riding Position

Cool on city streets and relaxed on the open road, the Bonneville Black's riding position is perfect for every ride. There's plenty of space between the seat, footrests and 'bars to be comfortable and the seat's long enough to share the ride with a passenger.

Seat Height

A seat height of just 775mm is right where the great Bonnevilles of the 1960s were, so that's where we put it on the T100 Black.

CHASSIS

FRAME	Tubular steel cradle
SWINGARM	Twin-sided, tubular steel
FRONT WHEELS	36-spoke 19 x 2.5in
REAR WHEELS	40-spoke 17 x 3.5in
FRONT TYRES	100/90-19
REAR TYRES	130/80 R17
FRONT SUSPENSION	KYB 41mm forks, 120mm travel
REAR SUSPENSION	KYB chromed spring twin shocks with adjustable preload, 106mm rear wheel travel
BRAKES FRONT	Single 310mm disc, Nissin 2-piston floating caliper
BRAKES REAR	Single 255mm disc, Nissin 2-piston floating caliper
INSTRUMENT DISPLAY AND FUNCTIONS	Analogue speedometer and tachometer with odometer and trip information

PERFORMANCE

MAX POWER EC	68 7500
MAX TORQUE EC	68 5800

ACCESSORIES

DESCRIPTION

PRICE

	Triumph Battery Optimiser (A9930410)	Automatic Battery Optimiser for lead acid batteries. UK Model	RRP £57.00
	Tacho Conversion Kit (A9828007)	Complete conversion kit to allow installation of a tachometer to Standard Bonneville models. - Complete with all necessary mounting hardware.- VIN specific product please consult your authorised Triumph dealer for information.	RRP £230.00
	Auxilliary Power Socket (A9938015)	Auxiliary Power Socket for use with Optimate Adaptor, A9930011	RRP £25.50

ACCESSORIES	DESCRIPTION	PRICE
	<p>Arrow 2/2 Exhaust System (A9600469)</p> <p>High performance exhaust system developed in conjunction with Arrow Special Parts. Offers substantial weight saving and power increase over standard equipment. Features Laser etched Triumph logo fully sleeved stainless steel construction. Supplied with dedicated engine tune download. Complete system weighs 6.5kg, offering up to 44% saving over OE (varies by model).</p> <ul style="list-style-type: none"> • Up to 6PS gain without dB killer (up to 3PS with dB killer) • Suitable for all Bonneville models. • Requires specific calibration to guarantee optimum performance. • Not for road use. 	<p>RRP £507.50</p>
	<p>Arrow 2/1 Exhaust System (A9600467)</p> <p>High performance exhaust system developed in conjunction with Arrow Special Parts. Offers substantial weight saving and power increase over standard equipment. Features laser etched Triumph logo and fully sleeved stainless steel construction.</p> <ul style="list-style-type: none"> • Up to 6PS gain without dB killer (up to 1.5PS with dB killer). • Approx. 40% weight saving over standard system. • Suitable for all Bonneville models. • Requires specific calibration to guarantee optimum performance. • Not for road use. 	<p>RRP £267.76</p>
	<p>Accessory Silencers (A9608104)</p> <p>Accessory Silencers for off road use only. Offers improved tonal quality.</p>	<p>RRP £162.00</p>
	<p>Single Seat (A9700134)</p> <p>Single seat unit for the traditional Café Racer style.</p>	<p>RRP £240.00</p>
	<p>Passenger Backrest Low - Chrome (A9738019)</p> <p>Cannot be installed with King and Queen Seat.</p>	<p>RRP £250.00</p>
	<p>Single Seat and Rack Kit (A9708097)</p> <p>Suitable for all Bonneville models.</p>	<p>RRP £310.00</p>
	<p>Passenger Backrest Standard-Chrome (A9738018)</p> <p>High level chrome plated passenger backrest, includes backrest pad and chrome Triumph badge.</p>	<p>RRP £265.00</p>
	<p>Waxed Cotton Saddlebags - Pair (A9518085)</p> <p>Constructed from leather and wax cotton for durability and that heritage look. Features brass effect hardware and two small front pockets for accessing smaller items easily. Offers 32 litres of total storage capacity, 16 litres per bag. Can either be fitted to the bike or used as satchels (shoulder strap included). Can be mounted individually (LHS or RHS) or as a pair (both sides). Comes with bespoke mounting harness.</p>	<p>RRP £230.00</p>

ACCESSORIES	DESCRIPTION	PRICE
