SERVICE RECORD

The following pages are used to record services carried out by your authorised Triumph dealer. Motorcycling will be enhanced by the knowledge that your machine is being serviced to the high standards demanded by Triumph Motorcycles Limited.

Proof that your motorcycle has been serviced to these standards could be a useful aid if selling your machine.

Your motorcycle may require more frequent servicing if operated in severe climates or conditions, or if used for short, stop-start journeys. Further information can be obtained from your authorised Triumph dealer.

The first service **MUST** be carried out at 500 miles/800 kilometres/1 month, whichever comes first.

CARING FOR YOUR MOTORCYCLE

Triumph Motorcycles have taken great care in the selection of materials, plating and painting techniques so as to provide its customers with a quality cosmetic appearance allied to durability. However, motorcycles are often used in hostile environmental conditions and in these circumstances it is essential that the motorcycle is washed, dried and lost lubricity replaced to prevent discolouration particularly of plated and unplated metallic surfaces. Your dealer can provide further information and advice if required. Ultimately the appearance of your machine will very much depend on the care it receives.
